

## **ANNEX 1**

## **STAKEHOLDER MAPPING TABLE**

## **STAKEHOLDER MAPPING TABLE**

Project stakeholder are important for any project success. The key stakeholders are determined by their level of participation, interest and power or influence in the project. Project stakeholders can be either internal or external. They can have conflicting interests or interests that change over the course of the project, so mapping them and engaging them is the key to the projects success.

LIST OF STAKEHOLDERS	TITLE	TYPE OF ORGANISATION	INFLUENCE	COMMITMENT LEVEL				
				Against	Positive	Neutral	Help	High
